Коллекция "Современный" - арт. № 11023-4

A botanical illustration of a plant with several stems. The stems are thin and green, bearing several large, ovate, light green leaves with prominent veins. At the top of the stems are two large, five-petaled pink flowers. Below the leaves, there are clusters of small, round, red berries. The background is a light, textured green. A vertical red bar is visible on the right edge of the image.

A detailed botanical illustration of a plant, likely a species of Asteraceae, rendered in a monochromatic, sepia-toned style. The illustration features several large, multi-petaled flowers with prominent central disk florets. The leaves are ovate to elliptical with serrated margins and distinct venation. The plant is shown in various stages of growth, including a flowering stem and a leafy branch. The background is a light, textured surface, possibly paper or fabric, with faint, ghostly impressions of the plant's form.
