The image shows a close-up of several vertical wooden planks. The wood has a light beige or off-white finish, highlighting its natural grain patterns. The grain is mostly vertical, with some planks showing more pronounced wavy or irregular patterns. There are several dark, circular knots visible, particularly on the left and right sides. The texture appears slightly rough and weathered. In the bottom left corner, the number '403113' is printed in a simple, black, sans-serif font.
